Team events will run from **Monday, March 9 until Saturday, March 14.**

Team fundraising goal is set at \$2020. All members are expected to work together to try to raise at least that amount for Kerry Wood Nature Centre.

Prizes will be given to the teams that have the most points (earned by completing challenges) and the team that raises the most dollars.

Any team proven (by photo) to be breaking the rules, will be issued a fundraising penalty, encouraging them to raise even more for our worthy cause.

Remember, this is in the spirit of healthy competition and fun! Thank you for helping KWNC. Thank you for making a difference in our community.
