

Notre Dame Hockey Academy Registration Information

Please look at the different scenarios below and figure out which scenario your child falls under.

In Notre Dame Catchment and currently at a Red Deer Catholic Middle School

Your child should be receiving correspondence from Notre Dame High School as the counselors make their visits. When students start to choose their courses for next year, your child will indicate Hockey Academy on their course selection sheet. Once we have confirmation that they want to attend Hockey Academy, parents will be asked to pay a \$150 deposit (non-refundable), to hold a spot in the Hockey Academy.

Out of Notre Dame Catchment and currently at a Red Deer Catholic Middle School

Parents will need to fill an Out of Boundary Request form that indicates their child is wanting to attend Notre Dame for the Hockey Academy. Once your request has been approved, you will be sent an email indicating that you need to contact the financial secretary at Notre Dame and pay a \$150 deposit (non-refundable), to hold a spot in the Hockey Academy. Once this deposit is received, your child's next school indicator will be changed by their middle school to Notre Dame. Your child should receive correspondence regarding course selection from Notre Dame.

Currently not attending a Red Deer Catholic Middle School

Parents will need to fill out a full registration form for Notre Dame High School. On the registration you will need to indicate that your child wants to attend the Hockey Academy. Once the registration is received, a school administrator will contact you and set up an intake meeting. Your child will choose courses during the intake meeting. After the intake meeting, if your child is accepted into Notre Dame, you will be asked to pay a \$700 deposit (non-refundable), to hold a spot in the Hockey Academy.

Semester Selection for Hockey Academy

Once you have completed all the information needed for your registration, students will be placed in sections. All sections receive the same instruction, on ice and off ice training. Students that make the U18 AAA Chiefs will be placed in the first Semester Team Training Group. All other players will be placed in the first or second semester sections based on what team they played on last season. All females will be in the second semester in our Female section.
